Re: Presentation letter

Hereunder a short presentation of our company structure and organisation.

Germanetti S.r.l., with registered office in Bra (CN), has been operating in the transport and shipping sector since **1927**.

The success obtained starting from 1975 in **international shipments** marked the start of an important growth with increased presence in the most important and strategic geographic positions through new **branches** and **subsidiaries** owned by the company.

Alongside the operational structures owned by Germanetti S.r.l., the company has chosen to be present with its own warehouses *inside many maritime ports* to provide assistance with the most important shipping operations for a more efficient and faster service.

Transport North-Africa ^(NA)

Tunisia

Following important investments made starting from 2001, we are the *main logistic operator on the Europe-Tunisia route*.

Our **offices in Tunisia** are located in the port area of Rades and cover 15,000 m2.

We also have a **bonded warehouse** for the management of groupage goods in the customs area.

Morocco

We have **two branches** in **Casablanca**, commercial and operational, with a modern integrated logistic warehouse, logistic platform and, as in Tunisia, a bonded warehouse in the port area. We are also present in **Tangiers** to follow directly the customs operations and provide assistance to our vehicles that travel by sea or road.

Libya

Our company has invested in the **creation of a logistic support** in Libya, a country that shows continuous economic growth. We currently serve the Libya Route from the whole of Europe with **dry** and **refrigerated** trailers from the ports of Genoa, Civitavecchia, Salerno and Marseille. Thanks to our logistic structure, this country can be easily reached

with two-weekly departures and transit time of just **60 hours**.

Algeria

From own logistics platform of Marseille we are able to warrant delivery in all sites in Algeria with LCL and FCL cargos.

Transport in Full Trailer or container via Spezia e Marseille to **Alger, Annaba, Bejaia, Skikda, Oran**

Groupage service from all Europe with consolidation goods in own HUB of Breda, Genoa, Marseille for guaranty the best transit time

Transport Europe ^(EU)

Germanetti France

The **France** and **England** Routes are managed by our **French subsidiary** in Le Thillay, just outside Paris. The Parisian office acts as collection and sorting centre for the goods to and from North Africa, Italy, Europe and Malta.

Germanetti Benelux

Our **Dutch subsidiary** is located in the industrial district of Hazeldonk. This subsidiary manages all the services for **Benelux** and **Germany** for all European destinations, North Africa and Malta.

Malta

Through **Eurofreight**, our partner in Malta, we can offer a top quality service thanks to the local experience of our partner and to our European logistic network.

Eastern Europe

Serbia, Poland, Bulgaria and Greece are served with **full load** or **groupage** weekly departures.

Transport Italy ^(IT)

Our **head office** in **Bra**, just 50 km from Turin, together with our subsidiaries in **Milan**, **Genoa** and **Padua** make up our main logistics system.

This structure allows us to offer a capillary service in the whole of Italy with fast delivery times.

Agricultural and Food Product Transport ^(AF)

Germanetti S.r.l. is progressively establishing itself as **carrier of reference** for the transport of food and agricultural products from the South to the North of the Mediterranean basin.

We guarantee a **full control transport** service from the producing countries to the European distribution platforms, dealing also with customs clearance operations.

Vehicle fleet ^(VF)

- ✓ **350 van** semi-trailers also suitable for the “fashion service”
- ✓ **250 tarpaulin** semi-trailers with drop sides, side curtains and sliding roof that can be lifted
- ✓ **100** last generation **refrigerated** semi-trailers equipped with Thermo king refrigerating unit

All our vehicles are fitted with a **satellite control system** and **anti-theft** device connected to our operations centre 24/7.

Germanetti Spedizioni in brief

83 years of business in the sector, 200 professionals and 8 subsidiaries in Europe and the world: **1.800** Customers.

Our strength: the capacity of our vehicles (**30%** more goods); full load or groupage departures many times a week; assistance in customs operations; flexibility in the management of customers' urgent requests and above all **reliability**.

Thank you for your attention and we hope to have the opportunity of working with you in future.

Yours faithfully

Germanetti S.r.l.
